Jay M. Cantor, Reg. No. 19,906

Sir:

PETITION TO WITHDRAW HOLDING OF ABANDONMENT

Applicant, through his attorney, hereby petitions the Commissioner for Patents to withdraw the holding of abandonment. No charge is believed to be appropriate, however, should a charge be required, please charge to Deposit Account No. 20-0668.

The facts are that an RCE with attached response was timely mailed on September 30, 2005 (copy attached) with PTO acknowledgement of receipt (copy attached). The Response erroneously listed the wrong applicant and serial number, however this paper was attached to the RCE and should have accompanied the RCE. In any event, it is requested that the timely filed Response be entered in the subject file. A new copy of the Response with correct heading is attached hereto.

In view of the facts as enumerated herein, it is clear that the subject application was never abandoned. Accordingly, withdrawal of the holding of abandonment is respectfully requested.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Jay M. Cantor', with a stylized flourish at the end.
